## PE and Sport Premium Funding: Allocation & Impact 2021-22

---

Created: October 2021	Final Review Date: July 2022	Responsible Person: Headteacher In Cooperation with: PE Leader and Sport Premium Governor
--------------------------	---------------------------------	--

### Why?

---

The Department for Education's vision for the Primary PE and Sport Premium states that "ALL pupils leaving primary school are physically literate and with the knowledge, skills and motivation necessary to equip them for a healthy, active lifestyle and lifelong participation in physical activity and sport."

To achieve self-sustaining improvement in the quality of PE and sport in primary schools there are 5 key indicators:

1. The engagement of all pupils in regular physical activity – kick-starting healthy active lifestyles
2. The profile of PE and sport being raised across the school as a tool for whole school improvement
3. Increased confidence, knowledge and skills of all staff in teaching PE and sport
4. Broader experience of a range of sports and activities offered to all pupils
5. Increased participation in competitive sport

At Thaxted Primary School, the PE and Sport Premium Funding has been allocated to develop or add to the PE and sport activities that we already offer by:

- Introducing new sports or activities across the school as additional learning opportunities during the school day and through extra-curricular clubs;
- Running sports activities with other schools;
- Increasing pupils' participation in competitive sport;
- Hiring qualified sports coaches to work with teachers;
- Providing existing staff with training or resources;
- Increasing physical activity of children within the school day;
- Educating the children upon the importance of an active and healthy lifestyle.

Our aim is to continually improve the quality of PE and sports activities we offer our pupils.

**70.5% of children leaving Thaxted Primary School at the end of Year 6 are able to swim 25m**

The profile of PE, sport and healthy active lifestyle raised across the school as a tool for whole school improvement

Aim	Outcome
➤ Reintroduction of afterschool sports clubs (provided to disadvantaged children for free)	Lunch time and after school sports clubs for Dodgeball, Football, Hockey, Invasion games, Pound, Running, Netball, Multi-sports, and Cricket ran throughout the year most of which were fully subscribed. 13 pupil premium children were funded with Sports Premium money.
➤ Re-application for the School Games Kitemark award.	Thaxted Primary School has recently been awarded the Gold School Games award for PE and Sports provision.
➤ PE and Sport information board to be regularly updated in school to raise knowledge of sports, awareness of extra-curricular sports clubs on offer, and school involvement in interschool competition.	The information board has not been used to its full potential this year. The purpose of this board will be assess ready for the start of the new school year.
➤ Inter-House Sports Day. Resources and equipment funded by Sports Premium budget.	Sports Day ran in June 2022 and was a success with nearly 100% participation.
➤ Daily Mile 'Laps to Lapland' challenge.	The Daily Mile programme has run throughout year. During Autumn term, the 'Laps to Lapland' challenge was run to motivate the children, which provided some interclass competition!

Increasing confidence, knowledge and skills of all staff in teaching PE and sport

Aim	Outcome
➤ Staff to develop skills and ideas through gymnastics CPD	This will take place early next school year. We were unable to book a trainer for this academic year.
➤ Staff to develop knowledge and ideas through observations of visiting Dance specialist.	All classes took part in dance workshops this year. Teachers were all present for the workshops and able to learn from the teaching techniques.

Providing a broader experience of a range of sports and activities offered to all pupils

Aim	Outcome
➤ All children to take part in Bushcraft sessions. (Reception weekly and the rest of the school half termly).	Due to staff changes during the year, the children took part in half termly outdoor learning session, which involved orienteering, maths challenges and problem solving. Reception children continue to have weekly Forest School sessions.
➤ Interhouse Archery competition to be run by PE subject leader.	Postponed due to covid concerns during Autumn term
➤ Dance workshops to be run by external dance specialists.	All children took part in a dance workshop linked to the class country studied in International week. Along

	with developing new dance skills, the children had a better understanding of how dance is linked to other cultural areas of learning.
➤ KS2 classes to experience outdoor adventurous activities.	All KS2 classes visited Harlow Outdoor Centre (one class postponed until September due to hot weather) They took part in climbing, abseiling, and outdoor problem solving activities.
➤ All KS2 children to take part in an interschool sport festival throughout the year (these will be multi skills, football, athletics, rounders)	Some children across the key stages took part in a sports festival. Year 3/4 took part in multi skills, year 1 took part in a dance festival and year 5/6 girls took part in a football festival.
➤ Replenish hockey and netball and playground resources to ensure these activities can be delivered effectively in PE lessons and children are encouraged to be active at breaktimes.	The hockey, netball and playground equipment have all been replenished this year, ensuring a high quality provision is maintained.
➤ The introduction of table tennis tables into the playground	The table tennis tables have been a huge success this year and along with positive comments from the children, the number of children choosing to play at lunchtimes demonstrates this.
➤ Scootfit sessions delivered to all KS1 children. ➤	All year 1 and 2 children took part in Scootfit sessions in Autumn term, learning how to stay safe on a scooter and build on their handling skills.

### Increasing participation in competitive sport

<b>Aim</b>	<b>Outcome</b>
➤ Children to take part in inter school competition. Opportunities for the more able to compete at a higher level.	This year children have been selected for school teams to take part in Football, Tag Rugby, Hockey, Netball, Cross Country, and Athletics. Approximately 100 children have taken part in these events across the year groups.
➤ Inter-House Sports Day. Resources and equipment funded by Sports Premium budget.	Sports Day ran in June 2022 and was a success with nearly 100% participation.
➤ New USSP individual skill challenges in PE lessons.	Children took part in these during their PE lesson. Each individual skill challenge was design for each year group and the children were encouraged to improve on their personal scores each week.
