PE and Sport Premium Funding: Allocation & Impact 2021-22

Created: October 2021	Final Review Date: July 2022	Responsible Person: Headteacher In Cooperation with: PE Leader and Sport Premium Governor
--------------------------	---------------------------------	--

Why?

The Department for Education's vision for the Primary PE and Sport Premium states that "ALL pupils leaving primary school are physically literate and with the knowledge, skills and motivation necessary to equip them for a healthy, active lifestyle and lifelong participation in physical activity and sport."

To achieve self-sustaining improvement in the quality of PE and sport in primary schools there are 5 key indicators:

1. The engagement of all pupils in regular physical activity – kick-starting healthy active lifestyles
2. The profile of PE and sport being raised across the school as a tool for whole school improvement
3. Increased confidence, knowledge and skills of all staff in teaching PE and sport
4. Broader experience of a range of sports and activities offered to all pupils
5. Increased participation in competitive sport

At Thaxted Primary School, the PE and Sport Premium Funding has been allocated to develop or add to the PE and sport activities that we already offer by:

- Introducing new sports or activities across the school as additional learning opportunities during the school day and through extra-curricular clubs;
- Running sports activities with other schools;
- Increasing pupils' participation in competitive sport;
- Hiring qualified sports coaches to work with teachers;
- Providing existing staff with training or resources;
- Increasing physical activity of children within the school day;
- Educating the children upon the importance of an active and healthy lifestyle.

Our aim is to continually improve the quality of PE and sports activities we offer our pupils.

How?

To provide a complete picture of the provision of Sport and PE at Thaxted School, both the elements that are directly funded by Sports premium, and those that indirectly benefit from the Sport Premium fund have been included in this report. Total £20,950

The total amount of funding expected for the 2021/22 academic year is £18,160. In the 2020/21 academic year we carried forward an unspent amount of £8,088, which means that we have a total of £26,248 to spend. Further

plans for expenditure will be published before the end of the 2021/22 financial year, as our final allocation will be made in April 2022.

PE and Sports Premium Funding: measuring the impact 2021-22

The school will evaluate the impact of PE and Sports premium allocation at the end of the financial year. The evaluation focuses on pupil attainment in PE, pupil/teacher perceptions and pupil participation levels.

Reviews will be made at the end of each term
